Everyday *your way*

PROUDLY PART OF THE APOLLO CARE ALLIANCE

Beautifully refurbished to *feel like home*

“Tucked away in a quiet oasis in Waverley, Charingfield is a boutique community recently transformed with a multimillion-dollar refurbishment program.

Our unique small household design offers a more personal living experience, and our additional services program, Everyday Extras, includes a range of social, dining and wellbeing services that make everyday life here even more enjoyable and like home.

With best-practice governance, an award-winning employee wellbeing program, and a cutting-edge cloud-based IT system to optimise resident care, we support each resident to maintain their interests, familiar routines and connections to the people and places they love. At Charingfield, everyone is supported to live their way, with grace and dignity.”

Laxmi Bhandari | Residential Services Manager

“I love the companionship here and being able to catch up with my neighbours every day. The staff are respectful and always happy. My suite is so spacious and I love having my own balcony.”

Margaret | Resident

Everyday *by your side*

Each household has a dedicated care team on-hand 24/7 to provide familiar and consistent care. Our Carers and Nurses focus on you as a person, getting to know your story, likes and routine to provide a holistic and tailored care experience. We listen, respect your choices and support you to live your way, whatever that looks like to you.

Everyday *home cooking*

When it comes to food, there's plenty of choice – just like home. Everything is freshly made in our own kitchen, and our nutritious, seasonal menus offer a mix of family favourites and contemporary options. You can choose to join your neighbours for meals in our dining rooms, or we can deliver them to you in the privacy of your own suite.

Everyday *wellbeing*

We support you to find comfort, enjoyment and meaning in your daily life. Our resident-driven Lifestyle Program includes a range of interesting activities and outings, and we'll help you maintain your valued family and community connections. Residents are welcome to attend services in our beautiful on-site Chapel services and receive pastoral support.

Everyday *spaces*

Charingfield's small households mirror the look and rhythm of home with residents sharing their own home-style kitchen, dining room and lounge room. Each large, premium suite or apartment has its own kitchenette and private veranda with private views, and our award-winning gardens have the familiar features of a traditional backyard.

Everyday *for locals*

Charingfield is proudly part of Apollo Care – an innovative national alliance of not-for-profit aged care communities. Our specialist team of leading industry experts is supporting our community to evolve and thrive, while preserving what makes it so special to the locals of this beautiful part of Sydney.
